

It's Me 247 See/Jump Request

See/Jump Overview

See/Jump allows you to log into your account through It's Me 247 Online Banking and then See or Jump to another membership of which you are a joint owner, without additional authentication.

"See" gives you the ability to monitor balances and transactions for another account. You remain in your original account but you can view the account summary and detail screens for the other membership.

"Jump" gives you the ability to jump to another membership via It's Me 247. When you jump to another account, with a few exceptions such as applying for a loan or changing passwords, you can make transfers, change preferences, etc.
